# Endocrine Complex™ for Men

Multi-Vitamin & Herbal Dietary Supplement

**Endocrine Complex™ for Men** provides a complete spectrum of vitamins and herbs essential to optimizing men's health.

This special men's supplement is ideal for men dealing with a stressful, busy lifestyle. The nutrient-rich formula in **Endocrine Complex for Men** includes protective antioxidants such as vitamins A, C and E, along with energy enhancing B vitamins.

The iron-free formula also includes herbs such as Saw Palmetto, Pumpkin Seed, Pygeum Bark, and Lycopene to help maintain prostate health, cardiovascular health, energy, and overall male health.

## Key Ingredients of Endocrine Complex for Men:

**Vitamin C (as ester c, calcium ascorbate, and ascorbic acid)** - Three forms of vitamin C in combination with Citrus Bioflavanoid Complex for enhanced absorption. Vitamin C is essential for collagen formation and aids in immune function.

**Vitamin E (as mixed tocopherols)** – All eight forms of vitamin E offer superior antioxidant protection, circulation support, and strengthen blood vessels, increasing fibrinolytic activity.

**Vitamin B6 (as pyridoxal 5 phosphate)** – Cofactors for enzymes and energy production, which help maintain healthy homocysteine levels. B12 plays a role in energy metabolism as well as immune and nerve function.

**Saw Palmetto** – Known for its ability to help with prostate health, it also supports testosterone and androgen balance, promoting healthy skin and hair.

**Lycopene** – A very powerful antioxidant, which can neutralize oxygen-derived free radicals. The oxidative damage caused by these free radicals has been linked to many health concerns such as heart, immune, and eye health.

### Supplement Facts

Quantity: 90 Capsules

Serving Size: 1 capsule	Amt Per Serving	%Daily Value
<b>Vitamin A</b>	2500iu	50%
<b>Vitamin C</b>	60mg	100%
