

HEART BRAIN HEALTH BONE & JOINT HEALTH IMMUNE

Endocrine Complex™ Night-Time

Multi-Mineral & Herbal Dietary Supplement

Endocrine Complex™ Night-Time is part of our family of multi-vitamin and multi-mineral products for daily wellness. The special night-time formula helps support:

- restful sleep
- the skeletal matrix
- hormonal balance
- muscle repair

Endocrine Complex Night-Time provides a full spectrum of minerals for optimal absorption for cellular function. These minerals help rebuild, restore, and replenish the body at the end of the day.

Endocrine Complex Night-Time is iron-free.

Take alone, or with Endocrine Complex for Men or Endocrine Complex for Women.

Key Ingredients of Endocrine Complex Night-Time:

Calcium (as calcium malate) - Necessary mineral component that maintains bone health and aids in muscular contraction, blood clotting and enzyme activation. Calcium also helps to facilitate fat loss to improve body composition.

Magnesium – Assists with hormone balance, heart, and bone health. It contributes to bone development and is an essential component of many enzyme systems, including the production and transfer of energy for protein synthesis, and contraction of muscles. Magnesium also aids with sleep and relaxation.

Selenium – Supports immune function and is an excellent antioxidant that may protect the body against harmful environmental toxins.

Chromium – Essential trace mineral is involved in protein, fat and carbohydrate metabolism.

Potassium – Important in preserving the acid base balance of the body, and is vital in the contraction mechanism of the muscle tissue.

Zizyphus Seed – Helps with restful sleep.

Supplement Facts

Quantity: 90 Capsules

Serving Size: 1 capsule	Amt Per Serving	%Daily Value
Calcium (as calcium malate)	30mg	3%
Iodine (from kelp)	50mcg	33%
Magnesium (as magnesium malate)	60mg	15%
